Scrip Doesn't Take a Summer Vacation!!

Rack up a 90% rebate during June!

Please see the full **SUMMER SCRIP SCHEDULE** on the back of this newsletter!

TODAY, May 7th

...is the last day you can order for Mother's Day!!

Something to Consider...

Wanna be an insider? We really need a few, adult summer volunteers to help us sort Scrip orders on Thursday mornings at 8:30 at ILES. Can you spare less than an hour a couple times a month? We'd LOVE to have your help, and it's actually a lot of fun! Just make note of your interest on your next order form or call Chrissy at 672-5969!

June = \$\$\$ with 90% Tuition Rebates!

Check this out, Scrippies! Last year, we sold a total of \$121,035 in Scrip, which is the CPA's only year round fundraiser that you benefit from directly through tuition rebates. The CPA made \$3,795 last year. Families earned \$1,512 in tuition rebates, and another \$108 in rebates went to the general tuition assistance fund.

Those are good numbers, especially for a relatively small school.

But...THIS YEAR was *amazing*, and lots of you will see the difference in your tuition bills! Total Scrip sales for the fiscal year were **\$320,983** (*remember that our huge goal was to hit \$250k!!!*) Our families' purchases made **\$7,009 for our CPA** and earned **\$8,050 in tuition** rebates with another **\$590** going to the general tuition assistance fund.

These numbers are **OUTSTANDING!!!**

We – the Scrip Team and the CPA – REALLY want to thank you. In this past school year, we have asked you to consider your spending. We have asked you to read these newsletters. We have asked you to set up PrestoPay accounts. We have asked you to review your budgets. We have asked you to develop new shopping habits. We have asked you to plan ahead. We have asked you to get in the habit of making regular orders and pick-ups. We have asked you to help our CPA, and you came through in a very big way.

As an *incredible gesture of thanks*, our Charger Parent Association is going to GIVE you their take of the rebates for the **entire month of June**. That's right...you'll get 90% of the total rebate instead of the usual 50%. Our CPA is giving you their 40%. Please see the full summer schedule on the back of this newsletter. **You will receive 90% of the rebate for orders placed on June 4th, 11th, 18th, and 25th.**

If you are NOT participating in Scrip, there is NO BETTER time than NOW to start. Call us! One of us will be happy to walk you through the process.

Think gas & hotels for summer trips, groceries for summer parties, date nights, birthdays, 4th of July barbecues, graduation parties, and *please don't forget Dad!!* Kickstart next year's tuition rebate by making the most of this incredibly special June deal!
